*Note: Large events may require additional personnel, such as security, as the District deems appropriate*

Puyallup School District believes our facilities should be available, when suitable, to serve the needs of our community. However, school facilities primarily serve the needs of the students of the Puyallup School District. Activities directly related to District programs will have first priority in the use of our facilities. As such, please note that your organization may be bumped at any time for a District event. Should this occur we will first attempt to find you an alternative location within the District. If the alternative location(s) are not suitable, we will fully reimburse any charges.

### **Policy 4260 Rental Classifications:**

**Class A:** Non-profit organizations whose purpose is solely to support Puyallup School District. To qualify for use of a district facility at no rental cost, the facility use must be for the organization itself and its own activities, not the unrelated activities of individual members of such organizations and not for events or activities of third parties affiliated with, promoted by, or sponsored by the organization. This group includes parent-teacher organizations, school booster clubs, WIAA district, league and state tournaments, associated student body, Communities in Schools, staff unions/associations, school site councils, and district convened advisory groups or committees, professional development for district staff which is managed by district staff.

**Class B:** Local youth non-profit groups with 90% or more participation from students residing within Puyallup School District boundaries. These are social, recreational, and athletic groups. This group includes, but is not limited to, local youth athletic teams, Girl and Boy Scout groups, Campfire, 4H Club, YMCA and YWCA and religious related youth groups.

**Class C:** Local youth non-profit groups with less than 90% or more participation from students residing within Puyallup School District boundaries. These are social, recreational and athletic groups. Examples include, but are not limited to, area (select) or traveling youth teams/clubs and other private/public school districts.

**Class D:** Community betterment groups, public agencies or other local groups formed to address community issues, and post-secondary institutions and community organizations:(cultural, political, sectarian, adult social / recreation clubs or teams, HOA organizations, community clubs, religious and other adult non-profit organizations).

**Class E:** Commercial or profit-making groups. Includes all other groups or individuals not defined as Class A, Class B, Class C or Class D users.
