5TH GRADE
MUSIC SELECTION

At BIS, students are assigned 4 special areas classes. Classes such as PE and music are yearlong. Others like art, health and technology education are semester long. While most special areas classes are assigned, students may choose their music course using the QR code below. Descriptions of music courses are on the back of this form. The online music selection window will open May 19th at 5:00pm and close on May 26th at 5:00. Failure to complete the music selection form means your student will be assigned a music class according to availability. Be mindful that popular classes fill up quickly.
