

LMS Families,

In an effort to supplement the bus service provided by Pullman Transit for in-town LMS students, the Pullman School District has put together some supplemental routes for students needing to get to and from LMS. These routes will be covered by rural routes buses that make multiple stops at schools or by an in-town elementary route that has time after the morning drop off to run shuttles across town. There are “express” routes for each of the hills. Most of the stops are at schools, but the stops on College Hill are along Terre View and Valley Roads. (Please note, there will not be a p.m. express to Terre View and Valley Road area. The p.m. trip home will need to be on a Pullman Transit route.)

Please see the schedule below and let us know if you have any questions.

PSD Yellow Bus LMS Express

LMS - MORNING (AM) ROUTES		
Route	Pick-Up Time (LSM – pick up times will be 30 minutes later)	Drop-Off Time @ LMS
